We always need club member participation at club events. Please review the club calendar and see when you can volunteer. Before every large shoot we always need volunteers to help clean up around the club. We can also use club member participation at any of the events to help make sure things run smoothly. If you are not sure where you can help, please ask. We will point you in the right direction!!

As always, please make sure you clean up after yourself at the club. Other members do not want to cleanup wrappers and cans after you. Check the bathrooms when you are in the club and make sure the essentials are there. We are a club built on self-efficiency and it only works if everyone does their part.
