3D Targets: Target Coordinator, Bob Cudney, with the help of Ken Vogt, went through all of the 3D targets into the barn. After additional conversation with CR, it was determined that we need 19 new inserts to be ready for April IAA shoot. CR is going to contact Rinehart Rep and McKenzie Rep for pricing. Can get better pricing because of IAA.

Youth league 2020: 188 youth archers this year. We have been averaging \$350-400 in the kitchen each weekend during the league so far. Thank you to everyone that is helping with the league (Sue, Jim Leonard, Pete, Tanya, Jenny, Jami, Tony, Misi, Robin)

IAA Shoot: The shoot is scheduled for April 18-19. We will be working on the trails in March. Also looking into maybe doing additional food/snack tables out on the course. We will need member help to run the shoot (kitchen, course monitors, benefit table, etc..)

Youth Archers must have an adult present: Jim Rye checked with the club insurance company and they stated that there must be an adult (18+) present at the club when youth archers (17 & under) are shooting.

501(c)(3): Mark is looking into the possibility of getting 501c3 status for the club.

We always need club member participation at club events. Please review the club calendar and see when you can volunteer. Before every large shoot we always need volunteers to help clean up around the club. We can also use club member participation at any of the events to help make sure things run smoothly. If you are not sure where you can help, please ask. We will point you in the right direction!!
