Club Participation: We have had little to no participation in archery events both at the club and outside the club. The I.A.A. has been gracious enough to plan multiple events at MTB this year. We need club members to both **work the events** and to **shoot the events**. We also need club members to get out and shoot some events that are not at MTB to show the archery community that we support everyone. We will be starting a work sign-up sheet at the club for upcoming events. Please volunteer your time to help support these events. They pay the bills and keep the lights on.

Backstop: Rebuild went great. We had good member participation and Andre Batz donated additional tarp. The screens are holding up good after two indoor spots shoots and practice.

2018 Youth Winter League: Started January 5th with registration. We have 117 kids registered and we are expecting a few more still to come in. The kitchen had a great first weekend of the league as well.

Building addition: We have already received great feedback on the addition. The indoor shoots have had a chance to use the extra space and many attendees have commented with approval.

S.V.A.A.: We hosted 49 archers for the SVAA shoot in December for a total of \$327. The money is going back to the SVAA and to the club.

Snow Removal (Club): Jim Davis found a club member that is willing to help out and do the snow removal.

Weekly club shoots – We now have Wednesday night spots, Thursday night 3D, Friday Night Ladies Night and Saturday and Sunday Youth League running. Come on out and shoot your bow or help with the kids.

We always need club member participation at club events. Please review the club calendar and see when you can volunteer. Before every large shoot we always need volunteers to help clean up around the club. We can also use club member participation at any of the events to help make sure things run smoothly. If you are not sure where you can help, please ask. We will point you in the right direction!!

As always, please make sure you clean up after yourself at the club. Other members do not want to cleanup wrappers and cans after you. Check the bathrooms when you are in the club and make sure the essentials are there. We are a club built on self-efficiency and it only works if everyone does their part.

The club has agreed that, as a cost savings measure, we would like to move to an electronic form for the monthly newsletter, where possible. Each month beginning in February of 2019, the club newsletter will be posted on the club webpage and Facebook page. We can also email the newsletter to anyone that wants a copy.

If you would like to continue to receive a paper copy of the monthly newsletter mailed to you, please call Mark Hurlburt at (810) 247-3954 or email him at mhurlburt1201@gmail.com before February 15, 2019 and request to stay on the paper mailing list.
