Meeting called to order at 3:11pm by Jim Rye

Motion made by Jim Davis to accept the reading of November meeting minutes. Seconded by CR LaFata. Motion passed.

Motion Made by CR LaFata to accept the reading of the November/December treasury report.

Seconded by Jim Davis. Motion passed.

Raffle Ticket Sales for 2018: Everyone agreed that the annual raffle drawing date should be moved back the Christmas Party which will be on December 1, 2018 this year. This is due to lower ticket sales in 2017 because of less time to sell tickets. We will decide prizes by the February meeting so Agnes can move forward with getting tickets printed.

Club Facebook : Updates are going very well by Mark Hurlburt.

Backstop: Discussion around opening the top of the backstop so we can continue to backfill the packing material without opening the whole backstop. Looking into additional options for screen the front of the backstop. We may be able to get some gravel hauler tarps to test out. CR will come out and paint the black on the board before the SVAA shoot next weekend.

SVAA: We have had no MTB members out shooting the SVAA shoots at other clubs. It would be good for the club to be represented at other club shoots.

Christmas Party – Everything went well for the party. Looking for new ideas for the next Christmas party.

Toys-for-Tots: Distributed to a group in the Brown City area by Jim Davis.

Youth League: The youth league is off to a good start. Jim is estimating 120-130 kids this year. We have had some great sponsors stepping up this year with Ben's, Bowman's, Lancaster Archery, Great Reflections and Glenn Kampman – Attorney at Law.

Propane: The club pre-bought 1500 gallons. We are good at this point for the season but we did have some record breaking cold spells in December/January.

Group Texting: Jim Rye requested that club members send a text message to him so he can gather text numbers. The goal is to build a text group for notifying club members of things going on at the club that may not always be scheduled ahead of time. Jim's phone number is 810-614-7678.

Club Maintenance – Outside: CR will be maintaining the trails this year and Jim Davis will be maintaining the lawn.
