**July Open Shoot/ Kids weekend:** We had 68 archers shoot the open weekend. 40 adults and 208 youth archers. We had a great weekend with both the kitchen and the paid archers.

**Youth archers:** There was a discussion to keep youth archers free for every open weekend. Jim Davis made the motion and it was seconded by Mark Hurlburt. Youth archers are now free every open weekend.

**Michigan Archers Assoc.:** MTB hosted the MAA shoot. It is their once-a-year state championship 3D shoot. The MAA shoot had a total of 41 archers. We also had an additional 18 archers that shot for our open weekend. We received wonderful feedback for the past few weeks including from the MAA President raving about how well it went.

**IAA State Championship:** There is some discussion around the IAA State Championship. The hosting club in Chelsea has decided not to host the event. Mark informed CR that MTB would be willing to host. More to come.

**Club Quad:** Member Jim Leonard is working on the Quad. He has about \$100 into it right now and is working on the battery issue. We should have it back at the club soon.

**Youth Coaching Class: working on rescheduling due to Covid.**

**Treasurer Retirement:** Agnes Whitson informed the members that at the end of 2020, she will be stepping down as Treasurer of the club. Agnes has dedicated many years to supporting the club and working as the Treasurer. She will be missed in that role.

Meeting adjourned: 3:45pm

## **June 2020 – Membership Meeting**

**We always need club member participation at club events. Please review the club calendar and see when you can volunteer. Before every large shoot we always need volunteers to help clean up around the club. We can also use club member participation at any of the events to help make sure things run smoothly. If you are not sure where you can help, please ask. We will point you in the right direction!!**

**Reminder: If you do any work at the club, make sure you write down your hours. There will be a bunch of hours available in August with all of the shoots upcoming. Completed work hours are posted inside the clubhouse. If you are cleaning up at the club, please contact Jim Davis and let him know for approval of hours.**
