Motion made by Jim Davis to accept the reading of April/May Treasury Report. Seconded by Mark Hurlburt. Motion passed.

**2019 Club Raffle:** We are going to be audited by the State of Michigan this year for past raffles. This would delay the start of our raffle ticket sales by many months. It was decided not to do the raffle this year.

**Wood – N- Waters:** We will move forward with having a table at Woods – N- Waters to keep our seniority. We are looking for companies to share the cost of the booth and halving the booth with us.

**Propane:** As of the June meeting we just used all of the pre-buy propane that we purchased. Looks good to pre-buy the same amount for next year.

**Targets:** We need to order some additional inserts to be ready for the IAA event in August.

**Thank You!!** Dave Long for the garage door donation.

**Spring Roadside Cleanup:** The cleanup was well attended and went very smooth. Thank you to everyone that participated (The Lashbrook's, The Lata's, The Shinn's, The Hurlburt's, Alyssa and John)

**Memorial Service:** Long time club member and friend Tom Marvin passed away the first weekend of June. Memorial information will be distributed on Facebook once it is known.

**We always need club member participation at club events. Please review the club calendar and see when you can volunteer. Before every large shoot we always need volunteers to help clean up around the club. We can also use club member participation at any of the events to help make sure things run smoothly. If you are not sure where you can help, please ask. We will point you in the right direction!!**

**Completed work hours are posted inside the clubhouse. If you are cleaning up at the club, please contact Jim Davis and let him know for approval of hours.**
