Building Build-out Update: Joe will be looking to get the concrete in the new section in the next few weeks

3D Targets: We will need 18 new inserts for the Rinehart targets. All monies from the winter and spring leagues this year will be going to the target fund.

2018 Youth 3D League: We have 35 archers in the 3D league this year. Kids are enjoying the 3D shoots. Last shoot is June 2nd. Awards pizza party will be Saturday, June 9th.

Women's League: Wrapped up in May. The ladies had a great time and a few of them bought new bows from Bowman's.

Newspaper: The newspaper hit the Sanilac County News and it was a wonderful article. Jim did a great job working with the writer. We have already had 3 calls from the article.

Spring Roadside Cleanup: The Spring cleanup was completed and the roadside looks great.

SVAA: We passed on a regional SVAA shoot due to club size. Jim was contacted by the SVAA rep because it was our turn in the rotation, but we elected to pass.

Work Detail: We will be posting a date to have a club work detail. We need to build-up the backstop and we will also need to do some trail cleanup. There are many tree's down on the course from the high winds in early May.

Metal Buck Target: Please leave the metal deer target out at the 50-60 yard mark.

Indoor Shooting: No one should be shooting more than 35 yards inside the club. If you need more than 35 yards, please use the bags outside.

Clubhouse: Please cleanup after yourself when using the clubhouse. Cans, bottles, wrappers, etc have been found on tables.
