The club has agreed that, as a cost savings measure, we would like to move to an electronic form for the monthly newsletter, where possible. Each month beginning in February of 2019, the club newsletter will be posted on the club webpage and Facebook page. We can also email the newsletter to anyone that wants a copy.

If you would like to continue to receive a paper copy of the monthly newsletter mailed to you, please call Mark Hurlburt at (810) 247-3954 or email him at mhurlburt1201@gmail.com before February 15, 2019 and request to stay on the paper mailing list.

The 2019 club calendar will be updated soon. The scheduling meeting was held the same day as the November club meeting. We will have a bunch of great shoots this upcoming year, kicked off by our 2019 Indoor Youth League.

We always need club member participation at club events. Please review the club calendar and see when you can volunteer. Before every large shoot we always need volunteers to help clean up around the club. We can also use club member participation at any of the events to help make sure things run smoothly. If you are not sure where you can help, please ask. We will point you in the right direction!!

As always, please make sure you clean up after yourself at the club. Other members do not want to cleanup wrappers and cans after you. Check the bathrooms when you are in the club and make sure the essentials are there. We are a club built on self-efficiency and it only works if everyone does their part.
